

## Water Superintendent

Environmental Services Department

The City of Red Deer is always on the hunt for talented and success driven people. We are always seeking creative and skilled individuals with the ability and desire to lead in our dynamic workplace.

### OPPORTUNITY

We are currently recruiting the right person to fill the position of **Water Superintendent** in our Environmental Services Department. This person, exercising professional judgement, is responsible for the overall supervision, direction and safety of employees in the Water Section. This position is responsible for the operation and regular maintenance of the Water Treatment Plant and the Water Distribution System. Other administrative responsibilities include public education, contract administration, budgeting, and procedure development.

### As our preferred candidate you will have:

- B.Sc. Civil, Chemical or Environmental Engineering or Diploma in Civil, Chemical or Environmental Engineering Technology plus equivalent experience.
- Professional Engineer registered with Association of Professional Engineers and Geoscientists of Alberta or Technologist registered with Alberta Society of Engineering Technologists
- Four years of experience related to water treatment and distribution
- Extensive water treatment process knowledge
- Knowledge of water treatment plant infrastructure maintenance practices
- Knowledge of water distribution system operation practices
- Supervisory experience in a fast paced environment with changing priorities

### What we offer:

In addition to the very competitive salary of \$100,692 to \$125,866 and an excellent benefit package, we offer a great work environment with a dynamic and dedicated team of likeminded professionals.

If you like what you have read, and think this is the job for you; come build your career with The City of Red Deer. We are committed to a healthy, vibrant, and sustainable community. Our employees are the cornerstone of our organization and working with us will provide you with the opportunity to work in an ever growing environment and to work with an awesome group of people.

We welcome applications until **April 15, 2015**.
