Career Challenge?**

Engineering Technologist – Infrastructure

One of our Valued Team Members has retired – this is a new position. If you are looking for a unique balance of growth, opportunity and a progressive work environment we have it here at the Municipal District of Willow Creek.

If you meet the following requirements, we want to hear from you!

Position Description:

- Supporting Asset Management functions throughout the municipality such as:
 - Reporting on service delivery;
 - Service delivery program and system development;
 - Infrastructure condition and functionality inspections and reporting.
- Gravel pit management and compliance;
- Alberta environment Water Act compliance;
- UAV Mapping and quantity calculations;
- RTK construction surveys;
- Working with ESRI products;
- Assist with capital and non-capital project management;
- Civil construction technical support inclusive of water, sewer, drainage, and transportation;
- Traffic accommodation strategy reviews;
- Construction cost estimating;
- Support Public Works services through technical and operational expertise;
- Aid in conducting local road bridge inspections;
- Participate and support of the Health and Safety Program;
- Public procurement of goods and services through:
 - Request for Quote;
 - Request for Proposals;
 - Tendering.
- Other duties that provide challenge and variety.

Requirements:

- Diploma in Civil Engineering Technology and/or willing to upgrade, other technologist designations and/or experience will be considered;
- Minimum 5 years' experience in a Municipal/Public Works, environmental or private contracting experience;
- Minimum 3 years' experience in the supervision and repairs of road and infrastructure construction;
- Valid Class 5 Operator's License and/or be willing to upgrade (drivers abstract required with application);
- The ideal candidate will demonstrate an ability to work independently with commitment and focus;
- Alberta Environment Level 1 Water Treatment and Distribution Certification.

This is a permanent full-time position, salary commensurate with experience.

We Offer:

- An exciting opportunity to work in a team-based, supportive environment.
- A fulfilling and challenging position.
- Ongoing opportunities for personal and professional development.
- Comprehensive benefit plan, including pension.
- Positive working environment.
- Competitive compensation.

Only **e-mail** resumes will be accepted. All resumes must include three professional references. Please forward your resume in care of:

Craig Pittman – Director of Infrastructure
HR@mdwillowcreek.com

This competition will close on **February 1, 2022** or until a suitable candidate is found. We thank all applicants for their interest, however; only those selected for an interview will be contacted.
