Trade DIVISION

TIRE PROGRAM

AAMDC Trade Division has created a Tier One National Tire Program with all major tire manufacturers. On average, the overall Tire Program logs an annual purchase volume of \$6 million and is the largest government buying group in Canada. In return, this provides all members with access to discounts ranging between **32 – 55 per cent**.

*National Tire Account pricing will not be available at the vendor as pricing is proprietary information shared only between AAMDC and the manufacturer.

HOW IT WORKS

1. Determine what tires you require.
2. Go to your preferred supplier to order your selected tires.
3. Notify them that you are ordering through the "AAMDC Member National Account" system.
4. Provide your PO# and "Ship to" information.
5. AAMDC will be listed as the "bill to" information.
